

**Anthony Staines, Ph.D.**

Patient Safety Program Director,  
Fédération des hôpitaux vaudois,  
Switzerland

Professeur associé, IFROSS, Université  
Lyon 3, France

Deputy Editor, International Journal for  
Quality in Health Care

After an MBA (Master of Business Administration) at INSEAD (Fontainebleau, France) and an MPA (Master of Public Administration) at IDHEAP (Lausanne, Switzerland), Anthony Staines obtained a Ph.D. in Management at University of Lyon (France). He is the author of a doctoral dissertation on the impact of hospital quality improvement programs on clinical outcomes.

He currently runs a portfolio of Patient Safety improvement projects for the Federation of hospitals of Canton Vaud, in Switzerland, and advises a number of hospitals on Patient Safety strategies and projects. He lectures on Quality Improvement and Patient Safety at IFROSS, University of Lyon, France.

He is the co-author, with John Øvretveit, of a book on improving value in health care services.
